## Radiotherapy

**Step 1:** For best results, print this page. If you don't wish to print it,, you can still complete the activity by leaving this page open on a computer or tablet screen.

**Step 2:** Open the camera app on your phone and use it to scan the QR code on the right. You can use a specific QR code scanning app if you prefer, but most phones have one built into the camera.

**Step 3:** Open the website when you are prompted, and if it asks for permission to access your camera, press "allow". Follow the on-screen instructions from there.
